Transforming the Culture of Care

Hospice

***Transforming the Culture of Care
through extended services and
a whole person approach***

What is hospice?

- Provides support and care for those in the last phases of life-limiting illness
- Recognizes dying as part of the normal process of living
- Affirms life and neither hastens nor postpones death
- Offers comfort for the patient & loved ones

***Helping patients remain in their
preferred home setting while
receiving healthcare services***
