

## Convenience

We cover sick calls, leaves of absence, and short-term/long-term vacancies.

~

We provide competitive rates and VERY competitive temporary to permanent employment agreements.

## Clinical Leadership

RX Healthcare Services is owned and operated by nurses. Extending that strength to its School Health Program, the School Health division is led and supported by Masters-prepared Nurses pledged to excellence in clinical coordination, skillful education, and team supervisory support.

## From Galt Unified School District:

*"The RX agency has gone beyond what is expected to meet our needs...I would definitely recommend this agency to other school districts..."*

## School Health Program

-Staffing and Support Services-

*Elevating Care to Enhance Education*

## A word from our Team Member:

*"In the past, I have been hired and trained by other agencies ...I have NEVER received the level of education and preparation I have received here at RX."*

**-A. Ong, LVN**

## School Health Program

Rx Healthcare Services has served the Greater Sacramento area for over 25 years. Launched Fall 2018, we are proud to extend community services to school districts! Our School Health Program has established itself through a devoted approach to serving students in need...

## School Health Program Service Offerings:

- \* Credentialed School Nurses/Registered Nurses
- \* LVNs
- \* Overnight Field Trip Coverage
- \* Audiometry/Hearing Screening
- \* Free Education classes
- \* Consultation/Support

## A word from our School District Partner:

*"RX has staff who have been trained in all areas of special education guidelines...this allows me to walk away knowing that I leave the district in qualified trained personnel hands"*

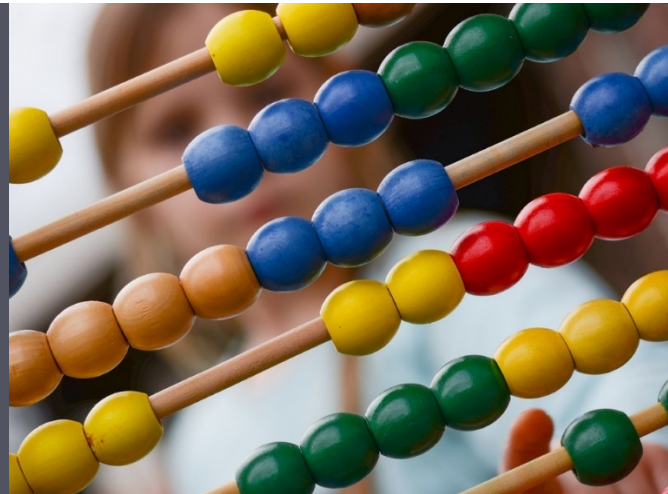

*-M. Ortega, District Nurse*

## Expertise

Our **Credentialed School Nurse** works to:

- ~ Ensure Green Book standards are upheld
- ~ Proctor and supervise staff
- ~ Provide consultation for generalized health/special education practices.

## Dedication

We are committed to quality care and selectively recruit professionals committed to our program, our districts and to the compassionate care of students

## Education

Our Masters-prepared **Nurse Educator** provides comprehensive initial and ongoing training for every team member.

~  
Our **Community Educator** offers free classes for District staff development and CEU requirements
