

Today was a blessing

Our Mission:

We exist to honor the lives of our patients, and their families compassionate and comprehensive care. Offering them comfort, support, and respect while on our services

Everyone on this Journey, patients, their family members, friends have unique needs. Our goal is to create a work environment where our staff can do their best, bring their experience, and competence to manage care and comfort expectations. Everyone on this journey has the opportunity voice their requests and to be heard.

Hospice care

Is delivered wherever the patient calls home. Includes residential care, assisted living or skilled nursing facilities. Places a priority on pain and symptom management. Care and comfort goals are discussed so patients and families can expect to spend optimal time together. Staff are available to visit 24 hours/7 days a week. We strive to support your goals, doing what gives you pleasure.

Hospice Team

As a team, we bring our diversity, competence, and appreciation for opportunities to grow professionally. Your Hospice Medical Director, Nurses, Hospice Aides, Medical Social Worker, Hospice Counselor (Chaplain), Volunteers, are equipped to face the challenges associated with the end-of-life journey. Limiting the effects of your illness so you can concentrate of living.

Hospice Team

We honor other's opinions. We strive to be realistic and accurate in our interactions with others and respect each person as an individual. We are open to self-growth and willingness to improve professionally. We know our own boundaries and are committed to honor those of others. We are good stewards

We Honor Veterans, a program of the National Hospice and Palliative Care Organization (NHPCO) in collaboration with the Department of Veterans Affairs (VA), invites hospices, state hospice organizations, Hospice-Veteran Partnerships and VA facilities to join a pioneering program focused on respectful inquiry, compassionate, listening, and grateful acknowledgment. By recognizing the unique needs of America's Veterans and their families, community providers, in partnership with VA staff, will learn how to accompany and guide them through their life stories toward a more peaceful ending.

Our goal at Rx Hospice is to provide expert and compassionate care, bereavement support, and education about end-of-life issues, by our culturally competent staff for our culturally diverse community

When curative treatment is no longer an option. It may be time to transition to new goals of comfort care, managing patient's symptoms. The right support can improve and help sustain optimum quality of life and emotional support for patients and their loved ones, 24 hours a day, 7 days a week

For clarity in determining the best option, support is essential. Our holistic approach recognizes the unique physical, emotional, and spiritual needs of each family. Rx Hospice team members are dedicated professionals, trained experts in the delivery of care, pain, and symptom management. When you call, a nurse will answer questions or visit as needed. The right support is always available.
